

A Little Bit of Fine Print

We all know that our kids need some diversion during summer vacation. This summer, Faith Lutheran Church is offering teens and pre-teens opportunities for summer fun through our youth workshops. All instructors are livescanned and have experience in teaching youth. Each workshop has room for 5 youth. The Faith Lutheran Youth Program is a community resource that welcomes everyone and seeks to be accessible to all. We will work with parents to provide access and inclusion. Our staff is particularly experienced in working with ASD youth and those with diabetes. If funds are an issue, please email Stacy Hogsett at youth@faithmv.net. No youth will be turned away for lack of funds. Lastly, we are looking into the possibility of providing transportation to Faith Lutheran for area youth and will have more information about that in May.
